

SECOND INFORMATION LETTER

Dear colleagues!

We are pleased to inform you that the International Congress
**“VII Congress and Associate Symposiums
of Vavilov Society of Geneticists and Breeders
on the 100th Anniversary of the Department of Genetics
of Saint Petersburg State University”**

is held from 18 to 22 June 2019 in Saint Petersburg, Russia on the basis of the "Mikhailovskaya Datcha" campuse of Saint Petersburg State University (Saint Petersburg highway, 109, New Petergof).

Within the Congress various plenary sessions, symposiums and poster sessions are designed to show a wide range of contemporary trends in genetics and breeding.

The information about the Congress and the possibility to register and submit abstracts are available via the Congress website: <http://vavilov.spbu.ru>

The authors of the selected abstracts after being reviewed by the Programme Committee will be provided with the opportunity to prepare oral presentations at the Congress. Other authors, whose abstracts will be accepted after the review, will be offered to present poster reports.

Official languages of the Congress: Russian and English.

All participants of the Congress will be invited to take part in the cultural programme including visiting the world famous museums and theatres of Saint Petersburg.

For more information please contact the Congress Secretariat via e-mail: gen2019@spbu.ru

We are looking forward to meeting you at the VII VSGB Congress,
